Midweek in Lent

Worship (12:00) + Lunch (12:30) + Guest Speakers (1:00)

2023 Theme: Lifting Up Human Dignity

Our worship theme is based on Jesus' words, "I have come that they may have life and have it abundantly." We will explore *abundant life* through the lens of honoring and respecting human dignity. Each week in worship we will look at stories of Jesus lifting up human dignity. Following lunch, we have invited special guests to share with us some of their life work and ways they have sought to honor and lift up human dignity.
Here are our Wednesday Lenten Speakers:

March 1: Brooke Eaton-Skea
Brooke has worked extensively to ensure the dignity of at risk youth and young adults and students with complex special needs. She chairs Nauset Interfaith Association's Youth-Outreach Hospitality (YOH). She has also worked and volunteered with the Latham Schools which support students with complex special needs.

March 8: Lucy Elmer
Lucy is a Hospice Nurse who lifts up the dignity of those near the end of life. She works for Broadreach Hospice.

March 15: Robin Hayward
Robin lifts up the dignity of families and children. She is the Director of the Cape Cod Council of Churches, "A Baby Center."

March 22: Nancy Dann
Nancy lifts up the dignity of refugees and the community welcoming refugees. She chairs the Nauset Interfaith Association's Refugee Support Team.

Mark 29: Katia Dacunha
Katia lifts up the dignity of the immigrant community and survivors of sexual assault and domestic abuse. She is the founder and director of Latinx In Action serving the immigrant community on the Cape. She also works for Independence House in Hyannis.

A Lenten Offering: There will be mason jars labelled "ELCA World Hunger 40 Days of Giving" on our lunch tables. You are invited to make a donation here and support the ways ELCA World Hunger honors and lifts up the human dignity of many across the world.

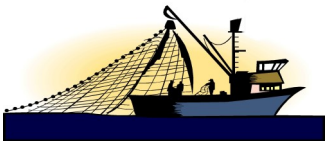
Welcome to Erika Pfammatter, Guest Musician

We extend a warm welcome to Erika Pfammatter who will be our guest musician through Easter. A life-long classical musician (piano, organ, harp, choral conducting, and composition), Erika has performed and taught for over thirty years, most recently at the Shady Hill School in Cambridge. She also served as Minister of Music for fourteen years at Lutheran churches in Michigan and Massachusetts. Having moved to the Cape in 2018, she continues to teach piano and harp privately, and from 2019 to 2022 she was the Operations Manager for the Cape Cod Chamber Music Festival. Erika holds a Bachelor's Degree in Music Composition from Vassar College and a Master's Degree in Choral Conducting from the University of Washington in Seattle. She lives in Wellfleet with her husband, Stephan, and two very entitled cats.

View From the Deck



Bless sojourners and pilgrims who share this winding way;
your hope burns through the terrors, your love sustains the day.
We yearn for holy freedom while often we are bound;
so together we are seeking the road where faith is found.
(Hymn "Bless Now, O God, the Journey," v.2)

Pr. Tiffany was preaching and presiding on Ash Wednesday. That gave me some space to join the small throng of sojourners and pilgrims. But what a group we were.

I had joyfully picked up a member who was recovering from a fall and subsequent surgery, and who was returning to worship for the first time. As I neared the door, I saw another member who was returning from a time away. And a third who doesn't drive and attends only occasionally. I'm not sure any of them knew each other but each had come on their own "winding way."

Off to one side there was someone whose spouse had just been admitted to the hospital. Elsewhere, a nurse, still in her scrubs. One of the five or six visitors sat alone in the John Hallgren pew (I didn't just say that! Besides, he's in Florida!) This visitor wasn't sure about participating in Holy Communion, but a warm welcome and gentle encouragement from the usher made the difference. There were others- widows and widowers, some of us old, some of us very old.

There weren't many families or couples. Rather, it seemed we were an eclectic group of vulnerable sojourners, wandering pilgrims, coming to have that ashen cross drawn on our foreheads. Coming to hear what we already knew, what life had already taught us, that we were dust and to dust we will return. But even more so coming because we were yearning for freedom, coming for hope and love, to affirm that we have been claimed as forever-children of God by that cross.

We were both alone and together, the hospital for sinners that Luther spoke of, the holy catholic church that the creed speaks of…

Bless now, O God, the journey.

Pastor Christian

An Exploration of Psalm 119: Did you know?

I recently shared in worship how Psalm 119, the longest chapter in the Bible, with 176 verses, was written as an acrostic, eight verses of the song begin with the first letter of the Hebrew alphabet, eight verses begin with the second letter of the Hebrew alphabet and so forth for all twenty-two letters. I invite you to write your own poem, song or prayer with words or phrases using the English alphabet. Here's my effort!

A loving God
Born in Bethlehem
Christ Jesus
Died on the cross
Everyone matters
For God so loved the world
God sure did
Hallelujah! Hallelujah!
I am so happy
Jesus loves me
King of Kings
Lord of Lords
Mighty as the mountains
Never sleeps
Older than the world
Protects us
Quiet sometimes
Rowdy sometimes
Savior of the nations
Trustworthy
Uses people like you and me
Victor over death
Whole world in his hands
Xtra special
You are too
Zesty, Zappy, and Zealous for everything that is good!

The Organ Project Update

From the October Special Congregational Meeting, two task forces were formed, meeting both collaboratively and independently, and these groups are meeting regularly:

1. **Design and Construction**: co-chaired by Rich Archambault, Tony Esposito, and Jim Wordsworth. This group meets regularly to discuss anticipated space and function relationships and the preservation of current structures in the new sanctuary with input from individuals with expertise in architecture, design, construction, lighting and other aspects of the project which are being solicited in the most cost-conscious manner feasible.
2. **Fundraising and Communication:** co-chaired by Kathy Glifort and Gayle Olson. This group has meet multiple times and spent time with people from area churches who have done similar projects. They hope to roll out their plan soon.

These teams collaboratively formulated the following visions:

Vision for the Sanctuary Space Modifications and the Organ:

Sanctuary Space
- Inviting and Accessible
- More Open and Flexible for Worship and appropriate cultural and interfaith events
- Safety and Security

Worship
- to increase participation through modifications of: Acoustics, Lighting, Visibility, Flexibility, and Accessibility
- The modifications are being implemented in the spirit of connecting the sacred with the local.

Vision for the New Southfield Pipe Organ:

As a gift from God, music is an integral part of our worship and congregational life.
The introduction of the pipe organ will enrich:

✞ **Worship** -by supporting and strengthening:
congregational hymn singing
liturgy sung by congregation
musical offerings

✞ **Outreach** – by offering new opportunities for engagement through
interfaith or ecumenical worship
attracting new members and friends
recitals and concert series

✞**Education-** by becoming a center for musical training through the use of the pipe organ for lessons and workshops

St. Peter's Sojourners

We continue to invite new walkers and ask that anyone who'd like to join us to email Lynn Hatch (Lchatch1@comcast.net) to get updated information on where our walks will be.

We meet at the church parking lot for car pooling at 8:10 am on Tuesdays.

Masks are not required for the walk, but must be worn if breakfast spots require them. We always plan on going to breakfast after each walk.

For those wishing to know the meeting place for the start of each walk if it's more convenient and closer than the church, directions for the trail head will be sent each week.

The Sojourners walk at different locations on the Cape each week, and we're always open to a new trail we've not tried before; perhaps it might be your favorite. This photo is from our walk last fall to Doane Rock in Eastham.

JustPeace Fundraiser:

Palestinian Olive Oil will again be available at St Peter's on Sunday, March 19

The Tree of Life Educational Fund provides money for Palestinian students going to school in Palestine, and attending universities in Gaza and the West Bank.

Your JustPeace Team will have one-liter tins available for $20 on Sunday, March 19. It's time to re-supply your own kitchen or buy a gift for family or friend. This olive oil is the only item I know that hasn't gone up in price in the past few years. It's definitely a win-win purchase. We thank you for supporting a Palestinian student and a Palestinian farmer.

You can pay by cash or with a check made out to St. Peter's with *olive oil* in the memo line.

Nancy Hallberg-Emerson for JustPeace Team. Call Nancy at 262-227-3395 if you need to make other arrangements.

Christian Education

Adult Study on Forgiveness

Each week we pray the Lord's prayer which includes the petition, "Forgive us our trespasses/ sins as we forgive those who trespass/sin against us." Peter asks Jesus, "Lord, if another member of the church sins against me, how often should I forgive? As many as seven times?" Jesus answers, "Seventy seven times" (and the Greek allows for a translation of seventy times seven which would be 490!)

When does one forgive? How? Why? Is it possible? Is it healthy? We will consider some of these questions as well as some contemporary case studies. Time will be spent in both conversation and Bible study. This Bible study meets on March 12, 19, and 25 from 10:55 to 11:45 am in the Mark Classroom

The Bible Study for Women

We're continuing our study of the Gospel of John.
On two Wednesday evenings each month, we meet at 7:00 pm in the Luther Room, both in-person and Zoom. In March, we will meet on March 8 and 22. In April, we will meet on April 12 and 26. New women are encouraged to join us. Please add these dates to your calendar now!

Please contact Pastor Tiffany for the Zoom link.

Children's Sunday School

Our 2023 Children's Sunday School will meet at 10:15 am, following our 9:30 am service downstairs in the Sunday school classrooms. Here are our Spring 2023 dates: March 5 and 19, April 2, 16 and 30 and May 14 and 28.

See you for all the fun downstairs! Mrs. Megan and Mrs. Judy

Grief Support Group for Loss of Spouse Meets Here

There is a **grief group that meets here every Tuesday at 2:00 pm**. Run by Broad Reach Hospice's bereavement coordinator, Rebecca Chesbro, it is open to anyone grieving the loss of a spouse. You are welcome to join in.

St. Peter's Ministries

PSALM Update

Recently PSALM provided funds for our "Covenant to Care" child, so that she could purchase a new dress and shoes. The new outfit enabled her to attend a Valentine's Dance. We were happy to put some joy in this young girl's life. Our next meeting is on Thursday, March 9, 2023 at 7:00 pm at St. Peter's. We will discuss plans for the ABC diaper drive in May. All the women of the congregation are welcome to attend. Hope all are staying safe and well during this (so far) mild Cape Cod winter. Happy St. Patrick's Day! by Jane Wordsworth

Our mission: To support women and children in need in our neighborhood and around the world.

Prayer Shawl Ministry

The St. Peter's Prayer Shawl Ministry will meet on Friday, March, 3 and Friday, March 17 at 1:30 pm in the Luther Room.

You are welcome to join us for prayerful work and pleasant company. There is yarn available and patterns to share as needed.

Esther Circle

St. Peter's Esther Circle will meet on Tuesday, March 14 at 12:30 pm in the Luther Room. We eagerly look forward to signs of spring as well as the quiet, contemplative season of Lent.

Sacred Sorrow

"Grief is neither a problem to be solved nor a difficulty to be overcome. It is a sacred expression of love; a sacred sorrow." The St. Peter's ministry for bereaved parents will meet on Thursday, March 16 at 1:30 pm in the Luther Room. Anyone who has experienced the loss of a child is welcome to join us. It truly helps to be with others who have had a similar experience.

"I was never prepared to live the rest of my life without you." Narin Grewal. This quote is true, but we can help each other along the difficult journey of grief.

For more information on any of these ministries, please contact Marianne O'Boyle at 508-775 -2757 or marianne@oboyle.net.

Food Pantry Update

Loaves and Fish Pantry

Our schedule is as follows:

Monday: 1:00 - 3:00 pm **Wednesday:** 2:00 - 4:00 pm
Thursday: 11:30 - :30 **Friday:** 10:00 am - 12:00 pm

Our winter holidays, President's Day and Martin Luther King Day, often provide a nice break for our school children and those workers lucky enough to get federal holidays off. Unfortunately, they often fall on the days that we get our big deliveries from The Greater Boston Food Bank. Last year, we went five long weeks without a delivery, but the staff at the Lower Cape Outreach worked very hard this year to get the Food Bank to substitute days so the longest stretch we have had to go between deliveries is three weeks. Donations dropped off weekly make such a difference all year, but especially during these weeks. Many of you may have noticed that our big sign was damaged during a recent wind storm. This sign has made a big difference in reaching our community members in need, but it also has resulted in increased donations and additional volunteers, so we are glad that it will be back up in the near future. The pantry would like to thank our volunteer Shawn Krum and her family. When our supply of bags was low, she got her son to donate paper bags from his store, Ace Hardware in Eastham. Recently, he even placed an extra order to give us more bags. Clients take home between 300 to 475 full bags of groceries a month, and most of them are double bagged. We continue to use all the ones dropped off by many of you, but we appreciate the large Ace bags with handles. ACE truly lives up to their logo, *ACE The helpful place*!

Financial Update: Thank You for Your Generous Giving!

Thanks to all for your response to our requests for 2023 Estimates of Giving. There were seventeen revised pledges received in the amount of $18,455 after a letter was sent out on behalf of the Church Council on January 1 With these revised pledges and the original pledges received, we have increased this year's pledged amount by $22,977 more than 2022. This additional income will be used to reduce the projected 2023 operating budget deficit.

THANK YOU for your generous giving to support St. Peter's.

Submitted by Lois Thomas, St. Peter's Financial Secretary

Independence House's 2023 Campaign

In 2021, Independence House located in Hyannis received over 7,000 contacts from people needing assistance due to domestic or sexual violence. These contacts included counseling, hot line calls, court advocacy, medical accompaniment, shelter and other services. An FBI statistic for 2019, collected from local police departments, showed that Cape Cod had over 100 reported rapes. Since 2017, six Cape Cod women have died due to domestic homicide. And we know that these numbers are only those incidents that were reported.

Abuse is a choice that individuals make and therefore abuse is preventable. Violence continues because of the silence surrounding domestic and sexual violence. Many people come to Independence House when they are at the "end of their rope," having experienced abuse for years. In the case of the six women who died and the hundreds of clients that we see each year, weach most likely had five to ten people in their lives who witnessed something that we call a "red flag" so sign that could have meant something is wrong in their relationship.

Independence House believes that Cape Cod community members want to knowhow to be part of the prevention of domestic and sexual violence. We would like to hear your voices about abuse and your thoughts about why it is a silent epidemic. We are launching the Courageous Conversations Campaign in 2023, this month.

We are asking that you join a small facilitated focus group of six to eight people and have a conversation about the dynamics of abuse and what we can do as community members to prevent abuse. The groups will be held across the Cape, in person and via Zoom, during the day and in the evening.

Please refer to the attached information sheet listing 2023 meeting dates.

The Nature of THUNDER and LIGHTNING

By Doug Kenney

When masses of warm and cold air rub together as they climb into the sky, the heat of friction causes molecules of nitrogen and oxygen to become ionized as positive and negative ions. Positive ions usually collect high in the sky, and negative ions collect closer to the ground. Because ions of opposite charges attract each other, the air becomes conductive to electricity. A pathway flowing from negative to positive then occurs as the lower ionized air rises with negatively charged 'stepped ladders' while positively charged 'streamers' descend down the pathway. When the negatives become close to the positives, there may be a discharge of plasma from negative to positive. The stronger the charges, the stronger the flash of lightning.

A similar scenario occurs when walking across a carpet, your body collects negatively charges static electricity. When you try opening the door of a refrigerator, a spark may jump from your hand to the charged door.

Because lightning is so hot, the air expands with a shock wave that travels **faster** that 750 mph, the speed of sound. The breaking of the sound barrier causes a sonic boom that's heard as thunder! When you hear thunder, you know the lightning was at a safe distance away. Because lightning is five times hotter than the sun, it can boil water in the trunk of a tree. The resulting steam may cause the trunk to explode. A flash of lightning travels about 20,000 miles per second but lasts for only .003 of a second. It happens so fast it's difficult to see whether the flash traveled from cloud to ground or ground to cloud.

In the event of a thunderstorm, refrain from touching metal objects and never find yourself on a body of water. The best shelter is indoors on a couch after you unplug electrical devices, especially your television.

Lightning ionizes atmospheric nitrogen causing a fallout of nitric oxide that plants love to gobble up! God takes care of all life forms on the Earth!

A RESPONSE FROM PASTOR CHRISTIAN

In 1505, a young law student, Martin Luther, found himself in a frightening thunderstorm. Lightning struck nearby, and Luther cried out to God and St. Anne, "Help me. Spare me and I will become a monk." Luther lived, and much to his father's dismay, entered the monastery. Luther became a priest in 1507 and posted his 95 thesis' in 1517, sparking the Reformation. By 1525 he had left monastic life and married former nun Katharina von Bora. Nonetheless, the near encounter with lightning altered the course of his life- and many others!

Less significantly, but more personally, I recall some of my own experiences. Though Doug cautions "never find yourself on a body of water," there were times on our family sailing trips when we did get caught in thunder and lightning storms. Our Pearson 30 was not grounded and I recall Dad wrapping a chain around the mast, draping it over the deck and to the water on both sides. Later, when my parents acquired their subsequent boat, it had a mast that went through the deck and was grounded. Sigh of relief. We were thankfully never struck, and, needless to say, I never entered a monastery!
