From the Pastor

"Why do you draw the house so much?" I ask him one day when we're sitting in the kitchen. "Oh, I don't know," he says, shifting on the stoop. He stares into space for a moment, drumming his fingers on the floor. "I'm trying to capture . . . something. The feel of this place, not the place itself, exactly."

- From A Place in the World by Christina Baker Kline

I've been thinking about this interchange from a book I read several years ago when living in Maine, a fictional tale that uses some elements of fact to color in the life of the woman behind the famous Andrew Wyeth painting, *Christina's World*. In this short conversation, Christina has asked the young painter about his consistent depiction of the same material, specifically her home, where he has set up an art studio in the attic. Words can do a lot, but sometimes they go too far or wane in their capacity to fully capture what is happening. For me it is images that can reveal that something - that feeling - which has the capacity to sustain and define.

Despite the daily toll of statistics and more bad news, there is an energy that bubbles up from each of you in this community. I hear it in your voices when we talk, and I see it in the images I have stored in my mind of our time together so far: your smiling faces on the call vote Sunday; the wonderful poster of welcome you made; the Christmas Pageant; volunteers down in the Food Pantry; folks coming and going in the daily life of the church. These images, and the ones you hold in your minds and hearts, specifically tell a story about life - a story of resurrection - that says more than any words could. It is the feel of the place.

There are also all the memories I have of two people who have contributed so much to the feel of this place: our Minister of Music Craig Tocher and Ministry Administrator Susan Kiehnau who are ending their time with us in April.

I'm so thankful for all they have done to teach me about the feel of this place and their direct help acclimating to my first few months as the new pastor. It was a short time, but I'll cherish all I learned and all I witnessed of what they brought to our community at St. Peter's. They have made a mark on this place - a picture, if you will - that will be remembered for years to come.

Susan, Craig, and people of St. Peter's - thank you for the gift of you; for this window in the world!

St Peter's 2026 Annual Congregation Meeting Summary

The Annual Congregation Meeting was called to order by President Jane Wordsworth at 10:50 am following Sunday services on February 22. Fifty members attended in person. James Merriman again graciously agreed to serve as parliamentarian. After an opening prayer by Pastor Gilbert, President Wordsworth led the congregation in the Affirmation of Purpose.

Resolution #1, which solicited an acceptance of the Minutes of 2025 Annual Meeting, was amended to include the Special Congregation Meeting of October 19, 2025, during which a call was extended to Pastor Gibert; the amended Resolution #1 was subsequently adopted by vote. Resolution #2 regarding the ministry reports was approved without corrections or comment.

Suzanne Bassett, Treasurer, presented highlights of the 2025 and proposed 2026 operating budgets. She noted that although the 2025 budget projected a deficit of \$55,857, the year closed with a shortfall of \$4,376 which was covered by reserves from the General Fund.

Ms. Bassett reported that because of anticipated increased expenses, which are detailed in her submission in the Annual Report, the 2026 operating budget projects a \$53,336 deficit; work to mitigate that shortfall will be ongoing. Resolutions #3-5 calling for the acceptance of the financial secretary and treasurer reports and a 2026-2028 Capital Plan were adopted by vote. Of note regarding the Capital Plan, the consensus of members present was to provide air conditioning to the Loaves & Fishes Food Pantry as soon as feasible.

The Nominating Committee, Karen Beggs and Kathy Glifort, presented a wonderful slate which did contain some open positions. President Wordsworth encouraged members of the congregation to approach her, Pastor, or a member of Council with an interest in any of the open positions. Resolution #6 to approve the slate was adopted by vote.

After the meeting was adjourned at 11:27 am, Pastor Gilbert led the congregation in the Lord's Prayer, and he asked that the Lord to look upon the congregation with favor and give it peace.

Tony Esposito
Council Secretary

Food Pantry Update

Loaves & Fishes Pantry

Monday: 1:00 - 3:00 pm **Tuesday:** 3:30 - 5:00 pm
Wednesday: 12:30 - 2:30 **Friday:** 10:00 am - 12:00 pm

What does it take to help feed close to 600 people a month? A lot of food and a lot of volunteer hours! If all goes as planned, we receive three deliveries each month and occasionally we have had an extra delivery. Howard drives the Lower Cape Outreach Council's refrigerated truck to Boston or the Family Pantry to pick up pallets loaded with between 6,000 and 7,500 pounds of food and then delivers to five pantries from Harwich to Truro. We are the first pantry, so it always takes longer as the pallets are not organized by pantry and opening all the wrapped pallets and finding specific items takes time. We don't know how he does it, and then he turns around the next day and goes back for food for the other four locations.

I estimate that our volunteers help unload and stock 5,000-6,000 pounds of food each month and can't thank them enough. After hauling in case after case and stocking the shelves, then comes the box brigade and all that cardboard has to be flattened and removed. It often took four trips to the recycle center each week and that doesn't include the many pantry volunteers who carried off cardboard after their shift. We are very grateful to the Finance Committee for recently approving an added recycle dumpster here at the church for this cardboard.

Each month we report the number of volunteer hours, and I know that I often underestimate because our volunteers go above and beyond. They stay late if a carload arrives five minutes before closing with 3-4 shoppers or spend extra time with a new client who needs to register and does not speak English. I know they often stay late to sort through the produce or sweep the onion peels and sanitize the tables. Pantry fairies are always helping by carrying down all your faithful donations left in or by the barrel, and then they stay and put them on the shelves. It is not unusual to log in 125 volunteer hours or more each month. That will be increasing now that we will have days like this week where we fully stocked the pantry after the delivery, and then 21 clients arrived and bags and bags of groceries went to their homes. Another volunteer had to spend hours restocking before opening the next day. We couldn't do this without all the donations of time, money and food. Thank you for being such a caring community.

We can always use more help, so let me know if you can find a few hours each month to join our dedicated team.

St. Peter's Food Pantry Coordinator

Latham Center Worship Service Redux

The Latham School is a residential institution for children with complex disabilities and is internationally recognized for its success in supporting individuals with Prader-Willi syndrome. Its mission is to foster independence, self-worth, and happiness for people with complex disabilities.

In previous years, a small group of volunteers from St. Peter's volunteered to lead one of the monthly worship services at the Latham School in Brewster. Last year, we did not participate because we were welcoming our new pastor. However, this year we have decided to volunteer again. We are scheduled to lead worship on Wednesday, **May 20 from 6 to 7 pm** at their school in Brewster.

We welcome additional volunteers to help lead singing, read prayers, or just come along side and be part of a highly interactive storytelling worship experience. If you'd like to come or want more information, please contact MJ Pattison at: mjpattison@gmail.com.

JustPeace Sponsors Offering of Letters

Bread for the World is a Christian advocacy organization urging U.S. decision makers to do all they can to pursue a world without hunger. Its mission is to educate and equip people to advocate for policies and programs that can help end hunger in the U.S. and around the world. Churches, charities, food banks, and nonprofit organizations, as important as their efforts surely are, cannot solve hunger alone. Government programs and policies play an especially important role. Thanks to an abundance of resources, federal nutrition programs provide 10 times as much food assistance as private churches and charities combined. When enough people speak up, government leaders listen.

On **Sunday, April 19** after the service in the narthex, St. Peter's JustPeace group will once again be sponsoring an "Offering of Letters." Form letters to our legislators will be provided for your guidance in urging their support for continued funding of critical resources providing food assistance to the most vulnerable among us and around the world. Please plan to spend a few minutes following the service to let your voice be heard. When enough people speak up, government leaders listen.

Changes in Mail Postmark Rules

I was asked to write an article for the Newsletter about change in the USPS postmark rules:

On December 24, 2025, the U.S. Postal Service (USPS) implemented new procedures for dating mail, postmarking letters and packages with the date they are *processed* at a postal facility rather than when they are *dropped off* in a mailbox. This could effect whether time-sensitive mail is considered on time as well as impact deadline-driven mail such as IRS filings, Medicare documents, and mail-in ballots. For example, a tax return dropped in a big blue mailbox on April 15 could still be marked late because the USPS will postmark it when the mail is processed rather than when it is mailed.

But there are options:

1. Request a manual postmark at the Post Office counter to ensure the date matches when your item was accepted.
2. Send by registered or certified mail.
3. Get a certificate of mailing from the USPS.

For mail-in voting, plan to send your ballot well in advance of Election Day. Or use options like drop boxes or hand delivery at election offices, based on local rules. For more information please follow the link below for an article by AARP:

April 2026 Update from Council

At this first meeting after the church's annual meeting, some new members were welcomed to the Council. Election of officers took place: President: Jane Wordsworth, Vice President: Chris Janson, Treasurer: Suzanne Bassett, Secretary: Peg Flood, and Scribe: Elaine Davis.

Pastor Gilbert reported on his activities for the past month. He has made several home/communion visits. He gave a brief overview of the survey regarding changes to service structure: most changes have been received well except for chanting the Lord's Prayer. Treasurer, Suzanne Bassett, reported that at the end of February we are "in the black" by \$5,112.31.

Two teams have been formed to search for a Minister of Music and a Ministry Administrator. Both teams have met, job descriptions were reviewed and updated as needed, and postings have been placed in appropriate journals and online sources.

Other actions taken were to sign off on a contract for repair of the lightning rod on the church. We approved a contract with Northstar Heating and Cooling to service the heating system at the parsonage. Also, we approved a request to use one of the classrooms for a Parkinson's Group led by Best of Care., Inc. They will meet on Thursdays for an hour and will use the Luke Classroom. Their program will run from April through May.

We heard about the lawsuit regarding ICE, immigration going forward and thanks to Tony Esposito, the New England Synod and St. Peter's as a congregation, is now listed on the suit.

Along with this news from Just Peace, Juliet Bongfeldt informed us that an English as a Second Language (ESL) class will be held here. Presently there are about 8 people interested in this offering.

Submitted in Peace and with Caring,
Jane Wordsworth
Council President

Second Sunday Service

The Healing Service for April is cancelled due to the first Sunday falling on Easter. A healing prayer component will be added to the **Sunday, April 12** service at **9:30 am**.

Women's Bible Study

The next Women's Bible Study will meet on **Saturday, April 4** at **10:00 am** in the Luther Room.

PSALM UPDATE

PSALM Members wish you all a very Happy Easter! We hope you all are able to attend the Easter Breakfast following morning worship on Sunday, April 5. PSALM met on March 26 to begin planning for the Mother's Day / May Diaper drive for A Baby Center (ABC). We learned earlier this year that the Baby Center needs larger sized diapers. We'll have exact sizes in the info for the flyers we put out for the "Diaper Drive."

PSALM appreciates your generosity and support of this much needed program of the Cape Cod Council of Churches. Our next meeting will be on **April 23, 2026 at 2 pm** in the Luther Room.

Hallelujah! He is Risen!!

Dulcimer Fellowship Group News

The dulcimer fellowship group will have its monthly meeting at **3 pm on Sunday, April 26**. We are now meeting downstairs in Fellowship Hall. It's best to drive around the church, park in the back lot, and enter through the lower door to Fellowship Hall.

By the time you read this, five of us will have attended the *38th Dulcimer Music Festival* in Latham, NY, joining over 100 dulcimer players of all skill levels who played dulcimer in a variety of styles from classical to rock. The event was both exciting and tiring but this year's venue, a former convent, allowed us to stay onsite for convenient breaks when it was necessary to recharge. The weekend offered concerts, workshops, and opportunities to connect with other dulcimer enthusiasts. We will be sharing what we learned with our Cape Cod contingent in future Sunday afternoon gatherings.

Our attendance at this festival was made possible in part by a generous grant from the Anderson Fund which covered the registration fee for those interested in attending. We carpoled and covered our room costs. We are grateful for that opportunity which benefited both St. Peter's members and two dulcimer fellowship participants from the Cape Cod community.

As always, the dulcimer fellowship is always open to new players. We have student dulcimers that we can loan out to you, so that there is no need to have an instrument to begin playing. If you have any questions, please contact MJ Pattison at: mjpattison@gmail.com.

Something to Ponder

A pastor asked an older farmer, decked out in bib overalls, to say grace for the morning breakfast. "Lord, I hate buttermilk," the farmer began. The visiting pastor opened one eye to glance at the farmer and wonder where this was going. The farmer loudly proclaimed, "Lord, I hate lard." Now the pastor was growing concerned. Without missing a beat, the farmer continued, "And Lord, you know I don't much care for raw white flour." The pastor once again opened an eye to glance around the room and saw that he wasn't the only one to feel uncomfortable.

Then the farmer added, "But Lord, when you mix them all together and bake them, I do love warm fresh biscuits. So Lord, when things come up that we don't like, when life gets hard, when we don't understand what you're saying to us, help us to just relax and wait until you are done mixing. It will probably be even better than biscuits. Amen."

Within that prayer there is great wisdom for all when it comes to complicated situations like we are experiencing in the world today. Stay strong, my friends, because our LORD is mixing several things that we don't really care for, but something even better is going to come when HE is done with it. AMEN!
