

Bible Study for Women

We continue to study Don Postema's Space for God: Study and Practice of Spirituality and Prayer. This fascinating study gives us opportunities for personal reflection, engagement with the Desert Fathers and Mothers, and insights via art and poetry. Much of the work is done on our own; the group comes together to discuss and share.

This group meets on the first and third Wednesdays at 7:00 pm via Zoom; it is open to all women who are interested in spiritual disciplines and a rich prayer life. Please [contact Pastor Tiffany](#) if you would like a workbook or would like to join us.
