Donut Miss It!

The St. Peter's Church Council invites you to a Coffee and Donuts Social outdoors on the side lawn after worship service on October 10.

The rain date will be October 17<sup>th</sup>.

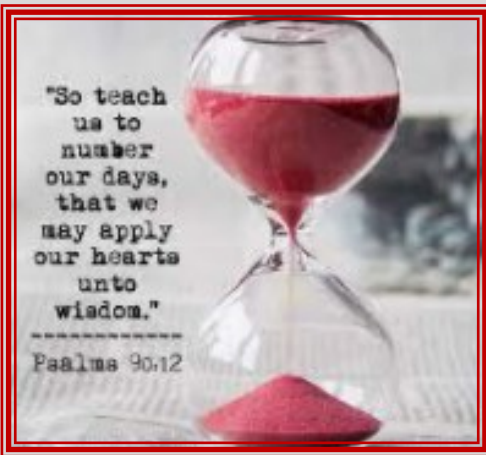

We'll be serving old-fashioned donuts from a local bakery, coffee, and cider.

Come and indulge in yummy donuts and good conversation.

We are thankful to the ministry of care they will provide. We will continue to hold St. Peter's family and friends in our prayers.

# JustPeace Invitation

The dedicated core of people on the JustPeace team are doing their best to fulfill their baptismal covenant 'to serve all people, following the example of Jesus', and 'to strive for justice and peace in all the earth' (ELW, p. 237). We pay attention to needs in the following areas: national and global nutrition (Bread for the World), anti-racism, LGBTQ concerns (Reconciling in Christ, rainbow flag), environmental issues, Palestinian needs (olive oil sales), and immigration (Lutheran Immigration and Refugee Service and Safe Harbors).

We are active in the Nauset Interfaith Association, with interest and support for their Refugee Support Team, Youth Outreach Hospitality team and Martin Luther King jr. anti-racism team and activities. JustPeace's major project presently is our initiation of Safe Harbors—A Ministry of Welcome. We are anticipating welcoming a family from the southern border around 1 October (maybe by the time you read this!) Many of you have already donated to Safe Harbors or are volunteering. Volunteer orientation happened at the end of September and will be available for more volunteers in the coming weeks. Please see the church website for more information about Safe Harbors.

In the meanwhile, with many projects and activities on our plates, JustPeace would welcome more volunteers to join our team. We meet monthly for planning and communication on the second Monday of the month in the Luther Room at 2 p.m. If you want more information please call Juliet Bongfeldt at 401-338-1753.

PS: Ascentria is moving at light speed to prepare for the Afghan evacuees we will be welcoming to Massachusetts and New Hampshire. Without your help, we would not be able to resettle as many people as we are in such a short period of time. To donate use green envelope writing "Ascentria" in the memo. [Click here for more information](#) or contact Juliet at 401-338-1753.

## Education in a bottle

Fall is here and we have recently received a new order of Palestinian olive oil.

Each purchase helps to support a college student in Palestine. Youth and their families pursuing their dreams for careers that will provide for themselves and their families, so similar to our visions as grandparents for our grandchildren.

We have a good supply of 1 liter tins that are \$20 each as well as some gift bottles of 750ml for \$25. Simply give me a call at 262 227-3395 or send an email at [nancyhemerson@gmail.com](mailto:nancyhemerson@gmail.com). We can make an arrangement for a pick up at church or I can make a delivery.

As an update Tree of Life has reported the sale of 1.5 tons of organic fair trade Palestinian olive oil. I can say it definitely enhances my salads & cooking. I will be monitoring for stories I can share with you from some of the student recipients.

Looking forward to hearing from members & friends at St Peter's,  
Nancy Hallberg-Emerson

We will be sponsoring and welcoming an asylum family in the Fall. We are looking for people who have interest and can volunteer in one of these areas:

- **Food/ Hospitality** Preparing a welcome meal, helping a family become comfortable with how food shopping, food pantry, and appliances here work. Ensuring age and size and gender and season appropriate clothing, household and personal supplies are available upon arrival.
- **Education** Helping children enroll in schools and/or adults in ESL or adult education, etc. assisting parent -teacher communication, and homework assistance if needed.
- **Legal Accompaniment** Tracking and accompanying family to legal appointments and communications with their immigration lawyer, ICE and immigration court.
- **Recreational/Cultural** 'Take me out to the ball game...'
- **Transportation:** Providing local transportation, accompanying and supporting use of public transportation and Uber to/from grocery store, pharmacy, church and other food.

Please fill out our online survey form to indicate your interest in volunteering at [Safe Harbors Volunteer Form](#), or call Cathy Samples at 617-462-1540 to set up a time to discuss.

We held online and in person volunteer orientation and building our team roles, supports and scheduling plans in September, expecting to know who our client/family will be by mid-September, and ready for arrival on Cape Cod, move-in and accompaniment by 10/1.

# Memorial Garden

## ATTENTION:

### All Current owners of Columbarium niches or Scattering Garden space

The committee met in August to go over the process of the application/contract and specifications for interment in the Memorial Garden. We found that we needed to connect with all of you via this notice. We will also follow up with a letter and attachments outlining and reinforcing the process.

Key points you need to take note of are the following:

- ✝ Keep your application/contract and specifications in a safe place with your important papers, so they can be found easily, i.e., with your will.
- ✝ If you have misplaced this information, you may contact either myself or Operations Admin, Kathy Branton to obtain a copy.
- ✝ The cremation certificate of the deceased is required at the time of interment (or within a reasonable timeframe). May be given or sent to the pastor, church office or chair to be kept on record at the church. This is a requirement by law and you must comply. This document is either obtained with the delivery of the ashes, or can be requested from the funeral home or crematory.
- ✝ Suggest that the engraving be done prior to opening/closing of the niche for interment so as not to incur additional cost. (Applies to columbarium only.)

Questions can be directed to the current chair,  
Lynn Hatch. ([lhatch1@comcast.net](mailto:lhatch1@comcast.net) or 732-236-8114)

## **SUSANNA STEPHEN BOARD**

The Susanna Stephen Board is your outreach ministry here at St. Peter's for financial support of projects locally, nationally and globally. Established by action of the 2007 Congregational Meeting, its purpose is to follow the example of our Lord Jesus Christ in striving for justice and peace, focusing on programs that feed, clothe and shelter those in need, as well as training or scholarship support that promotes peace and justice.

Currently eight members of the congregation serve on this Board: Kim Anstey, Trish Crocker, Pr. Christian Holleck, Janet Larson, Andrea Michaels, Rodney Schuller, Jay Tichenor and Bill Vaughan.

Members of St. Peter's are encouraged to consider completing an application for some outreach ministry you would like to see supported. Applications are available in the church office.

## **St. Peter's Sojourners**

Now that many of you are vaccinated, we've changed our procedures for weekly walks together. We continue to invite new walkers and ask that they [email jay.tichenor@gmail.com](mailto:jay.tichenor@gmail.com) if they wish to join the group and get updated info on where our walks will be. We will once again meet at the church parking lot for car pooling, at 8:10 am Tuesdays.

Masks are not required for the walk but must be worn if breakfast establishments require them. We always plan on going to breakfast after each walk.

For those wishing to know the meeting place for the start of each walk if it's more convenient & closer than the church, directions for the trail head will be sent each week. The Sojourners walk at different locations on the Cape each week, and we're always open to a new trail we've not tried before, perhaps it might be your favorite.

Peace, Jay Tichenor

## **PANTRY UPDATE**

Hi Folks,

it's me again to remind you that time is moving on (faster than we realize). We are now entering October and December follows quickly. As of this writing, I have not received any inquiries regarding management of St. Peter's Pantry. I will be finishing my leadership as of December 31, 2021.

It would be a shame to see the end of this community endeavor but---what will be-- will be. If you know of anyone, they don't have to be a member of St. Peter's, please get in touch with me.

Thanks and good luck!

Aline Glifort

### Prayer Shawl Ministry

The St. Peter's Prayer Shawl Ministry will meet on Friday, October 1st and Friday, October 15th at 1:30 in the Luther Room.

Come and knit or crochet with us as we share a quiet, prayerful time of fellowship. We have yarn, needles and patterns available if you need them.

For more information please contact Marianne O'Boyle at 508-775-2757 or [marianne@ooboyale.net](mailto:marianne@ooboyale.net).

### Esther Circle

The Esther Circle is looking forward to the Cranberry Fair on November 20th. The ladies will offer jewelry, yarn creations, baked goods and "Better Than Attic Treasures" items and plan to support the PSALMS group in their endeavors. All proceeds from the fair benefit the homeless and at-risk youth of Cape Cod as well as other worthy outreach programs. Donations of jewelry, knitted items and "special" no longer needed treasures will be gratefully accepted.

All women of St. Peter's are warmly welcomed to participate in our activities. We will meet on October 12 at 12:30 pm. Bring your lunch.

Please contact Marianne O'Boyle for more information at 508-775-2757 or [marianne@ooboyale.net](mailto:marianne@ooboyale.net).

### Sacred Sorrow

"Grief is neither a problem to be solved nor a difficulty to be overcome. It is a sacred expression of love; a sacred sorrow."

As we move ahead into fall and toward several holidays, consider this excerpt from the poem, "Hold On, My Friend" by L.R. Knost:

"Please hold tight. Don't let go.  
Try to breathe through the pain.  
Like the sun every morning,  
hope will rise once again.  
Hold on, my friend.  
Hold on."

It is hopeful that this St. Peter's ministry for bereaved parents can meet in-person at church on Thursday, October 21st at 1:30.

For more information or just to chat please contact Marianne O'Boyle at 508-775-2757 or [marianne@ooboyale.net](mailto:marianne@ooboyale.net).

# Help Needed ASAP!

For many years the Esther Circle has sent Christmas boxes to the New England Seafarers' Mission in Boston. This wonderful mission provides help, hospitality and comfort to the many ships, both cruise and industrial, that come into Boston harbor (over 550 in 2020!). We have seen pictures of seafarers joyously holding the gifts we've sent of hats, socks, personal items and sweet treats.

During a visit to St. Peter's Pastor Stephen Cushing, Senior Chaplain, described the hard, dangerous lives the crew members live. These hardships have been compounded by the advent of COVID 19. Seafarers were already at sea for many months at a time and now ships were floating offshore, unable to dock - with the crew trapped onboard. The ministry then had to happen on the gangways of ships as no one from the mission was allowed on deck.

While we believe this ministry to be very worthwhile and hope to continue our practice of sending gift boxes, there is a need for help to do this. Evie Sherwonit has coordinated the gathering of items and the shoeboxes to fill, but is retiring now and will no longer be in charge of this project. In addition, Irv Freimuth has helped to obtain funds from Thrivent and pack the wrapped gifts into larger boxes and taken them to another church which then transports them to Boston. Therefore we are in need of one or two (or more) people to take over this rewarding endeavor. The Esther Circle ladies are willing to help where we can and provide additional funds for the gift items, but are no longer able to lead. Evie will be happy to pass on her knowledge and Irv is happy to help with advice on the Thrivent paperwork. And we can certainly help with filling and wrapping the boxes in early December.

If you feel that you could help to continue this wonderful ministry please contact Marianne O'Boyle at 508-775-2757 or [marianne@oboyle.net](mailto:marianne@oboyle.net).

## The Wonders of Laser Technology

A laser is a device that emits amplified optical light based on the stimulated emission of electromagnetic radiation (Light Amplified by Stimulated Emission of Radiation). A laser beam emits a coherent light that can be focused on a tiny spot with a very narrow spectrum. The scanning of printed barcodes on grocery items is a well-known use of laser technology. Did you know it's lasers that read compact discs and DVDs? They also cut, weld and print on metals, glass and paper. Lasers perform as aids to law enforcement and medical surgery. Blue lasers can be used for headlamps on luxury cars to produce highly directional white lights, and red laser-pointers are a great tool for teachers in the classroom!

The wave links of lasers vary between 200 and 4,000 nanometers on the spectrum. One nanometer is one-billionth of a meter. There are infrared, ultraviolet, X-ray and gamma ray lasers where light bounces back-and-forth between a pair of mirrors being

amplified on each bounce. It's the electrons around atomic nuclei that become dislodged or excited that causes the emission of electromagnetic radiation from either a gas, liquid, solid or plasma. Examples of lasers are ruby, sapphire, helium-neon, helium-silver, argon ion, neon-copper, hydrogen-fluoride, nitrogen fluorine and carbon dioxide. Lasers pass through optical fibers over long distances as a key to technology in modern communications such as the Internet!

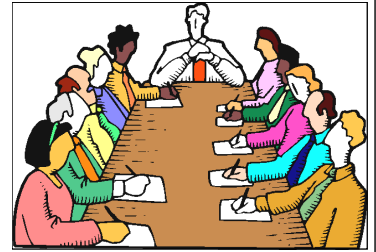

Modern telescopes use lasers to compensate for the blurring effect of our atmosphere. High energy laser weapons, such as the US Air Force's airborne laser on a Boeing 747, have been used to shoot down rockets and artillery shells. Laser technology, then, is good for our nation whether it's used for useful functions or for our defense.

Laser technology is just another example of God bestowing intuition to humankind!

## PASTOR'S RESPONSE BY CHRISTIAN HOLLECK

In his science articles Doug continuously invites us to engage the world through science, technology and human innovation. Doug frequently elaborates on what technology allows us to do? I wonder, beyond the science, how do new technologies help build human community? Can you see ways technology helps us to love God? Can you see ways technology helps us love our neighbors? How different are our lives from those of our parents or grandparents on account of technology? How different (or similar) is our love of God and neighbor?

## Council Corner notes

The Council approved two recent motions by email to:

- Make an employment offer to Maggie Ribb as Minister of Music and thank the Search team. Maggie has accepted and will start in early November.
- Allow Chatham Chorale to use church space for practice. They will adhere to our Covid-19 rules for building use including masking and distancing.

At the monthly meeting on September 21 Council voted to;

- Transfer money from a generous gift from Vernon and Marybeth Christensen to the Sabbatical Fund to cover the Pastors' current sabbatical and replacement clergy.
- Approve the 2022 Portico Gold plus health plan for the Pastors.

The following business was discussed and reports received from various groups:

- Financial reports show expenses are in line with the budget through August.
- The Re-opening Task Force is maintaining current rules for masking and distancing within the building.
- The exterior painting contract to Stewart Painting for \$16,944 will be paid in three installments.
- We are looking for a Sunday School teacher to replace Karen Beggs who is stepping down. Thank you, Karen, for your service.
- A drive-by recognition event for veterans is planned for November 11.
- The Esther Circle and PSALM groups are meeting regularly. A new coordinator for the Seafarers' Mission donations is being sought.
- JustPeace is looking for new members.
- A donuts, coffee and cider outdoor social is planned for October 10 after worship service (Rain date October 17).
- Safe Harbors ministry is going very well with representatives of about 6 congregations involved.
