What is Rachel's Day? In 1994, one woman urged her congregation on the west side of Chicago to support children facing violence. They began by clearing a vacant lot and turning it into a garden— Rachel's Garden. It became a place where folks—mostly mothers—could come to mourn children killed by gun violence in the past year. In 1996, the Women of the ELCA voted to encourage ELCA congregations to annually raise awareness of children victimized by violence.
