Loaves and Fish Pantry

We are always impressed with the generosity of this community and are so thankful for donations from the congregation and neighbors. This week the pantry could use pudding, Jell-O and canned fruit especially pineapple.

If you would like to receive a **PAPER copy** of our newsletter we would be happy to send it to you. Currently, we send 25 copies back to the church to meet the USPS bulk mail requirement. So since it's printed and being mailed anyway it might as well go to YOU. Pass it on to a neighbor, leave in a lobby, spread the good news of St. Peter's.

If you would like to help fold, please let Joanie know your availability the week of May 23. Thank you.

It's a Climate Emergency! What Can We Do?

The Am HaYam Climate Justice Committee, in conjunction with the Federated Church of Orleans, will present a three-part series of workshops on Combating Climate Change. With a bit of foresight, we can avoid using technologies that will need to be replaced in order to achieve our goal of reaching net-zero emissions by 2050.

All **Workshops are 7:30 PM to 9 PM** via the Zoom link below:
